Learn ways to inspire a Shared Vision for Superior Results

This program will discuss the role of the supervisor in inspiring a shared vision and provide you with strategies for promoting your vision to your employees.

On successful completion of this program you will be able to:

- Understand the importance of vision
- Explain the two functions of vision in an organization
- Apply three techniques to keep employees focused on the vision

Martha A. Valdez, MBA

Sr. Professional Skills Trainer & Organizational Development Consultant

Martha Valdez co-founded World-Class Training in 1999 to answer a need in the marketplace for high-quality professional skills development training.

Based in the Rio Grande Valley, she has trained for employers in most major industries and for employees at all levels. Martha is known for her engaging, high-energy style and ability to make learning fun.

Martha's diverse background is the foundation for her work and a key to WCT's success. Martha brings over sixteen years of solid business, human resources and organizational development experience to her programs. She is also an MBA graduate of the University of Texas.
